

## The Sedona Conference Institute and the Cardozo School of Law Present: Practical Solutions to Pressing eDiscovery Issues in New York

JULY 25, 2013

This event, hosted by the Sedona Conference Institute and the Cardozo School of Law, provided an in-depth look at the practical solutions for today's most pressing eDiscovery challenges. In addition to the well-known eDiscovery Case Law and Rules Update and an ethics credit, the hottest issues facing practitioners were discussed.

WilmerHale Managing Director of [DiscoverySolutions](#) Steven Berrent spoke on the panel, "eDiscovery Management Models, Today & Tomorrow: Client, Law Firm, or Vendor?"
