

The Stanford Law School Conference on Intellectual Property Law and the Biosciences

2009-05-08

Join us for an informative discussion with leading experts from academia, industry and the judiciary on the latest developments in intellectual property law and biosciences. Judges, top legal scholars and experienced practitioners from across the country will examine some of the key legal and policy issues raised by the biosciences industry.

WilmerHale Partner Bill Lee will provide opening remarks as well as serve as moderator on a panel entitled "Patent Litigation in the Biosciences: A View from the Bench."
