

U.S. Export and Re-Export Compliance for Canadian Operations

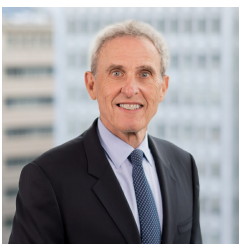

JANUARY 31, 2012 - FEBRUARY 1, 2012

Hosted by American Conference Institute and The Canadian Institute, this forum will feature both US and Canadian government and industry professionals from the high technology, aerospace, defense, satellite, space, energy and other industries. Topics discussed will include the enforcement of US export controls and economic sanctions and educating participants on how to fully incorporate US export controls and Canadian export, human rights and privacy law requirements into a successful trade compliance program.

WilmerHale partner Ronald Meltzer is a featured speaker at this event, and will be presenting on the topic "The New ITAR Foreign, Dual and Third Country National Rule and Canada's Enhanced Security Strategy: U.S. and Canadian Government Expectations for Complying with Screening Requirements."
