

Understand Your Options: Equity 101 for Startup Employees

SAN FRANCISCO, CA

If you work for a startup, stock option grants are your way of sharing in the company's success. However, very few startup employees understand what they are and how they really work. In this presentation, attendees will get answers to questions like: What are stock options? How do they work? What is a vesting schedule? What does it mean to exercise my options? When can I do it? How much are my options worth?
