

## USC Gould School of Law: Intellectual Property Institute

MARCH 24, 2015

The Intellectual Property Institute has forged a reputation for gathering national speakers to analyze sophisticated topics and provide practical takeaways to attendees. Focusing on copyright, patent and trademark law, the Institute features morning plenary sessions, a luncheon keynote address, afternoon tracked breakout sessions and six networking opportunities, including a special networking breakfast for women in IP and a hosted cocktail reception at the end of the day.

WilmerHale Partner Mark Fleming will speak on “The Supreme Court’s Impact on the Development of Intellectual Property Law” panel. He will be joined by other renowned advocates who have argued recent IP cases to the Supreme Court and academics who follow the Court to explore how the Justices approach IP issues.

WilmerHale Partner Andrea Weiss Jeffries currently serves on the planning committee for this event. WilmerHale is also a sponsor of this event.
