

WEST Innovation Series Event: Company Growth - Thriving on Change

CAMBRIDGE, MA

Following a very popular and successful first event, this is the second event of the inaugural Innovation Series that is comprised of panel discussions with biotech and technology industry's most successful entrepreneurs and innovators on how they have created, nurtured and inspired "Innovation Throughout the Company's Life Cycle." Panelists will discuss their first-hand experience in developing employee careers and advancing more talented women into senior positions.

Hear from CEOs who have successfully grown and evolved their companies. These leaders and entrepreneurs will discuss their leadership styles, company growing pains, changing personal and organizational skills, as well as managing setbacks and driving innovation. Panelists include: Tillman Gerngross, Chief Executive Officer of Adimab and David Schenkein, Chief Executive Officer of Agios.
