

## WEST Innovation Series: The New CEO—Always Learning and Setting the Tone for Innovation on Day One

CAMBRIDGE, MA

This event is part of Women Entrepreneurs in Science & Technology's (WEST) inaugural Innovation Series that is comprised of panel discussions with biotech and technology industry's most successful entrepreneurs and innovators on how they have created, nurtured, and inspired "Innovation Throughout the Company's Life Cycle." Panelists will discuss their first-hand experience in developing employee careers and advancing more talented women into senior positions.

The CEO panel will discuss what motivated them to be CEOs, share early leadership lessons, competencies for success as well their experiences in building startup companies. They will also discuss their leadership styles and how they build and develop their teams.

Panelists include Amy Schulman, CEO, Arsia Therapeutics; Katrine Bosley, CEO, Editas Medicine and Nancy Simonian, CEO, Syros Pharmaceuticals.
