

West LegalEdcenter: TARP, TGLPs and other Acronyms: What Happened, What's Next

2009-01-15

The Treasury, the Federal Reserve, and the FDIC have taken unprecedented steps to stabilize the financial system. There are many opinions as to whether these actions will help or harm the economy. There is also a good deal of confusion about how this new wave of regulation and direct government intervention will affect the current situation. This event featured a panel of banking and finance experts who reviewed the results of this intervention and what it means for financial institutions. Also previewed was what is likely to come next.

WilmerHale partner Russ Bruemmer was a featured speaker at this event.
