

WilmerHale All-American Art Exhibition

2006-06-30

WilmerHale is proud to present the All-American Art Exhibition, an exhibition featuring the works of twelve young, American artists working and living in Berlin. This year's artists include Kerry Tribe, Mungo Thomson and this year's Ars Viva Laureate, Jason Dodge. US Deputy Ambassador, John K. Bauman, opened this exhibition.

The artists use a wide variety of media—including video, painting, drawing, photography and sculpture—to cover topics such as pop culture, society, American art history, architecture and personal experience. Some of the works also reflect how the social and cultural life and aspects of living in Berlin have influenced the artists.

The exhibition will be on display in our [Berlin office](#) until August 11, 2006
