

WilmerHale Employment Law Update 2005 and Whistleblower and Retaliation Seminar

2005-11-16

This seminar will provide (i) an overview of the most important developments in labor and employment law in 2005; and (ii) a discussion of whistleblower and retaliation claims (including those under whistleblower, employment discrimination, and other employment law statutes), the common law public policy exception to the employment at-will rule, and Sarbanes-Oxley. Lastly, of particular interest to those who have operations in the UK and elsewhere in the EU, this seminar will discuss how compliance with US whistleblower and anti-retaliation statutes may conflict with EU privacy directives.
