

## WilmerHale Event: The 2010 Employment Law Update: What You Need to Know Now

2010-03-17

Human resource professionals and general counsel at companies large and small will face new regulations and challenges this year. To keep you informed of important issues in employment law, and what employers should be aware of in 2010, WilmerHale invites you to our annual Employment Law Update.

Topics to be discussed include: employment law issues and considerations in a socially networked, digital era; updates in wage and hour law; data security, maintenance and destruction; the Americans With Disabilities Act Amendments Act and the Genetic Information Nondiscrimination Act; FMLA and COBRA updates; and other developments in federal and Massachusetts law.

Wednesday, March 17, 2010

7:30 a.m.-12:00 p.m.
