

WilmerHale Inter Partes Review (IPR) Webinar Series: IPR Strategies with Existing Litigation

SEPTEMBER 10, 2013

Join WilmerHale's Intellectual Property Practice for a three-part webinar series, during which attorneys will provide strategic guidance on the implications of these changes and how they may affect your business. CLE credit will be offered.

In this webinar, presenters will focus on the interplay between IPRs and concurrent patent litigation. Motions to stay litigation pending resolution of the IPR, the use of claim construction obtained from the PTAB, and managing and leveraging discovery between the two proceedings will be discussed, in addition to practical implications of the AIA's estoppel provision.
