

WilmerHale Legal Issues for Startups: Hiring and Firing

JULY 11, 2013

Beyond finding the right people to help your startup grow and thrive, there are many legal considerations related to bringing new talent on-board and letting non-performing staffers go. Join WilmerHale Labor and Employment Partner Laura Schneider as she provides an overview of common employment law issues and what you can do now to minimize the risk of expensive legal headaches down the road. Ms. Schneider will answer your questions about documenting terms of employment, misclassification issues (employee vs. independent contractor), protecting your intellectual property, wage payment laws and more. WilmerHale Associate Daragh Murphy will also be on-hand to address any general corporate-related concerns that startups typically face.

There will be a brief presentation followed by a Q&A session. Food and drinks will be served.
