

WilmerHale's Second Annual Legal Developments Impacting the Life Sciences Industry Conference

NEW BRUNSWICK, NJ

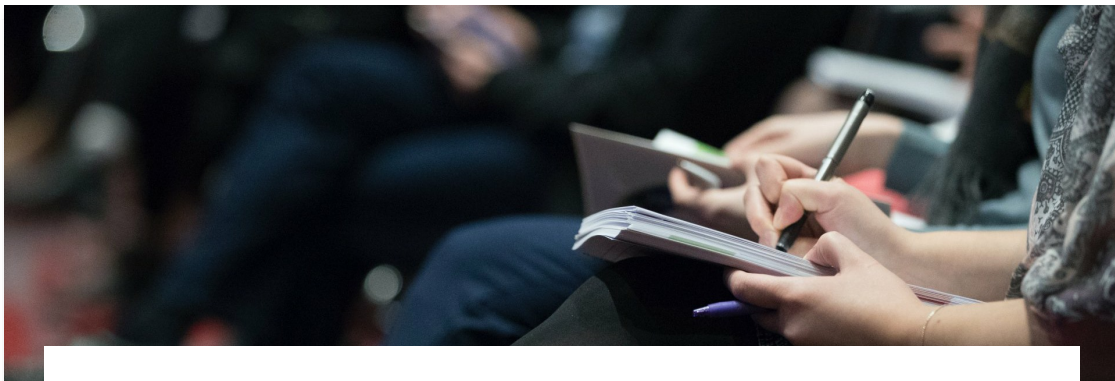

On Tuesday, September 20, WilmerHale will host its second annual Legal Developments Impacting the Life Sciences Industry conference, which will focus on intellectual property and litigation issues for pharmaceutical, biotechnology and other life sciences companies.

The program will begin with a morning workshop on patent prosecution followed by a lunch featuring a keynote address by the Hon. Arthur Gajarsa, former United States Court of Appeals for the Federal Circuit judge and now a senior counsel at WilmerHale. The afternoon will consist of three panel discussions on antitrust, ethics, and recent updates from the Federal Circuit and US Supreme Court.

This educational event will conclude with a networking cocktail reception. CLE credit will be offered, including ethics credit.
