

WilmerHale Webinar: Responding to the Market Crisis: Enforcement Activity, Implementing the TARP Legislation, and the Litigation and Regulatory Environment

2008-10-10

Congress has passed the Emergency Economic Stabilization Act of 2008. This legislation has been enacted against the backdrop of unprecedented financial market turmoil and increased supervisory and enforcement activity.

In this webinar, WilmerHale's Co-Managing Partner, Bill Perlstein; Securities Litigation and Enforcement Chair, Bill McLucas; and Broker-Dealer and Compliance Regulation Chair, Brandon Becker discuss the current enforcement environment and the effects of the legislation and its implementation. The discussion includes WilmerHale experts in securities enforcement, regulation and litigation, investment management, banking law, corporate governance, government affairs, government contracting and public litigation.
