

WilmerHale Webinar: The American Clean Energy and Security Act: Legislative Impact on Your Business

JULY 30, 2009

WilmerHale will present a webinar that will include a briefing and question and answer session regarding the recent passage of the American Clean Energy and Security Act of 2009 (ACESA) by the House of Representatives, and the impact the legislation may have on your business.

WilmerHale Partner Kenneth Meade will be a featured speaker at this seminar. He will discuss specific provisions of the ACESA legislation, including the scheme for allocation of allowances, offsets, pre-emption and competitiveness/trade issues, as well as an update regarding ongoing and anticipated developments on climate change legislation in the Senate.
