

WilmerHale Webinar: What the European Commission's Unveiling of Crucial Guidance of Article 82 EC Means for Your Business

2008-12-16

Earlier this month, the European Commission published enforcement guidance that it will follow when applying Article 82 to exclusionary conduct by dominant companies. The much-anticipated announcement is pivotal for all firms that are or potentially could be the target of complaints. Under the guidance, the Commission reiterated that Article 82 should protect competition and consumers, instead of individual competitors. In doing so, the guidance established a number of general and specific principles to help dominant businesses assess whether their commercial arrangements are likely to be of interest to the Commission.

WilmerHale will present a discussion about the European Commission's unveiling of its crucial guidance of Article 82 EC, and what that means for your business.

WilmerHale partners Frédéric Louis and A. Douglas Melamed, as well as consultant Jacques Bourgeois, will be featured speakers at this webinar.
