

WMACCA July Signature Luncheon: Hot Topics for Public Companies

JULY 23, 2013

During the past few years, the disclosure and corporate governance landscape for public companies has dramatically changed. The panel will address new and pending SEC rulemaking under the Dodd-Frank Act, including conflict minerals, pay for performance, and ratios of CEO pay to employee pay. We will also offer perspectives on potential future areas of focus for the SEC and what public companies should do now to prepare for the future.

WilmerHale Partners Meredith Cross, Lily Brown and Jennifer Zepralka were at the SEC during this period and are uniquely positioned to provide their insights on this changing landscape and how the new SEC disclosure requirements may impact your company.
