

Women in Tech Careers Panel

NEW YORK, NY

This event is for game changers who are interested in entering the tech industry or are looking for a career shift. The panel features women who will share their insights on career growth and their path into tech. Dinner and drinks will be served.

100% of proceeds will go towards Scripted, which equips students in under-resourced schools with the fundamental coding skills and professional experiences that together create access to careers in technology.
