

Xconomy Boston's Life Science Disruptors

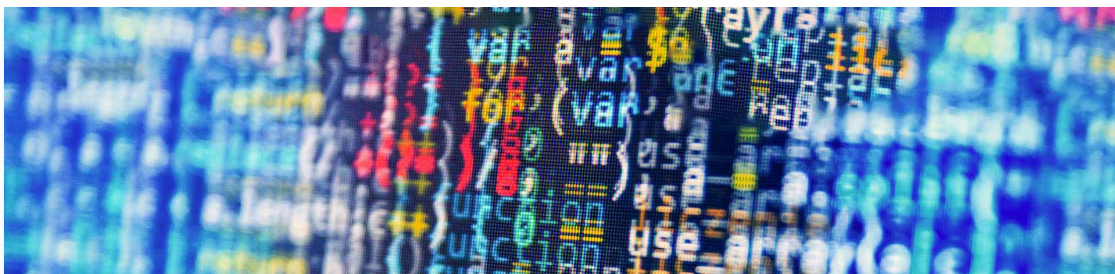

CAMBRIDGE, MA

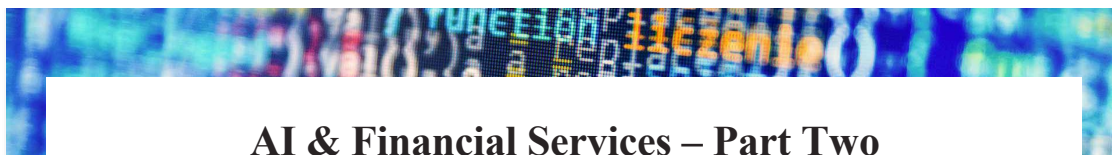

Every life sciences startup aims to shake up and challenge the status quo. But what Boston companies are taking the most radical approaches and seem poised to become the biggest disruptors? What are their goals, what is their approach to building a great biotech company, and how are the founders working with their leading venture capital investors to pursue their disruptive vision?

Attend this unique event featuring candid stories from some of New England's most radical biotech company leaders, founders, and VC backers out to change the game in microbiome research, diagnostics, synthetic biology and more.
