

## Xconomy Boston's What's Hot in Cybersecurity

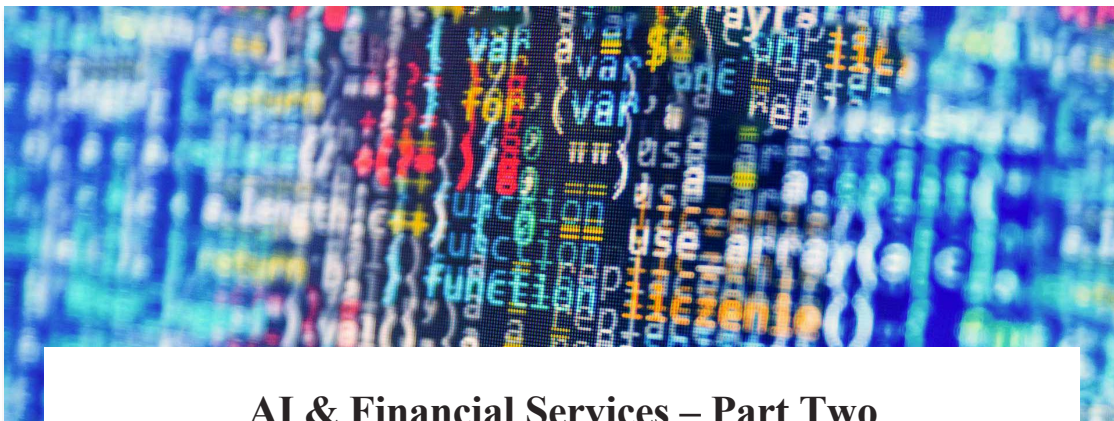

BOSTON, MA

Boston-area cybersecurity companies are working to advance the state of the art in security automation, behavioral analytics, anti-phishing systems and other arenas. At the same time, venture investment is flowing into hot sectors like cryptocurrencies, blockchain and identity management, and deception tech.

Xconomy's second annual cybersecurity conference in Boston will convene business and technology leaders to discuss these topics, and much more.
