

Xconomy: Homeland Security and the Innovation Community

2008-03-05

Join Xconomy founder and editor in chief Robert Buderl for an up-close-and-personal conversation with The Honorable Jay Cohen, Under Secretary of Science and Technology for DHS. The Under Secretary will speak about his directorate's ongoing overhaul of its programs and initiatives—an effort aimed at promoting more game-changing ideas and innovations and better connecting entrepreneurs, companies, and other innovators with first responders and potential "customers" throughout the government.

WilmerHale is a sponsor of this event, presented by Xconomy.
