
California Bar Foundation Honors WilmerHale With Leading Change Diversity Award

JULY 10, 2015

On June 9, the California Bar Foundation announced that WilmerHale along with Intel Corporation and the Equal Justice Society will receive the 2015 Leading Change Diversity Awards. Every year the California Bar Foundation selects leaders in diversity, equity and inclusion initiatives to receive this prestigious honor.

"A commitment to diversity is among WilmerHale's guiding principles. Diversity influences how we recruit our lawyers and staff, the type of pro bono cases we undertake, and the philanthropic endeavors we pursue in the community. Diversity makes us better lawyers and advocates," said WilmerHale Partner [Mark Selwyn](#). "We are very proud to have partnered with the California Bar Foundation and our client Intel to help advance the cause of diversity in the legal profession, and we are honored to be distinguished by the California Bar Foundation."

WilmerHale, Intel and the Equal Justice Society will receive the awards at the California Bar Foundation's 25th Anniversary Scholarship and Award Ceremony in San Francisco on September 17.
