
SyncOnSet Technologies Secures \$1.5M Series A Financing

JANUARY 12, 2017

SyncOnSet Technologies, Inc. held the first closing of a \$1.5 million Series A financing round led by Disruptive Innovation Fund, L.P. and Laconia Ventures LLC. The company was born out of a simple idea: replace the three-ring production binder with professional software designed for how production teams work. Now embraced by thousands of TV series and films around the world, SyncOnSet has grown into a leading entertainment technology company for digitizing physical production and managing creative content.

Partner [Mick Bain](#), Attorney [Stephanie Singer](#) and Associate [Cynthia Cho](#) represented SyncOnSet in this transaction.
