## BTI Consulting Recognizes Three WilmerHale Partners as Client Service All-Stars

FEBRUARY 7, 2017

BTI Consulting has named three WilmerHale lawyers to its *Client Service All-Stars 2017* list. [Paul Architzel](#), partner and co-chair of the Futures and Derivatives Practice, [Paul Eckert](#), partner in the Securities Litigation and Enforcement Practice, and [Kimberly Wethly](#), partner and chair of the Tax Practice, were selected to the list for exhibiting exceptional client service.

A total of 319 attorneys were selected to the *BTI Client Service All-Stars 2017* list, which was compiled based on feedback from more than 300 corporate counsel from large and Fortune 1000 companies who were asked to name attorneys who are influencing and changing the legal industry. WilmerHale is one of 160 firms with attorneys featured on the list, and fewer than 10 percent of all firms representing large clients had more than one attorney on the list, according to BTI.

BTI routinely recognizes WilmerHale for providing a top-notch client experience. The research and consulting firm named three firm partners to its *Client Service All-Stars 2016* list, and recognized the firm last summer for its strong client relationships in the pharmaceutical and insurance industries. In September, BTI also selected WilmerHale as an *IP Litigation Standout* and one of the "most feared" litigation firms in the industry.
