
Managing IP Recognizes WilmerHale as the Patent Contentious Firm of the Year

MARCH 27, 2017

WilmerHale was again named as the 2017 Patent Contentious Firm of the Year—both in the United States and in the Northeast region—and [Bill Lee](#) was named as the Massachusetts Outstanding IP Litigator at the annual *Managing IP* North American Awards dinner on March 23 in Washington DC.

Earlier this month, *Managing IP* published its annual patent and copyright rankings, in which WilmerHale was ranked as a tier one firm in the PTAB litigation (USPTO), bio/life sciences and patent contentious categories; in the second tier in the ITC category; and in the third tier in the copyright category.

Managing IP's rankings and awards are the conclusion of more than six months of analysis by its team of researchers, who conduct hundreds of interviews with IP practitioners and IP owners in North America. More information can be found by visiting the [Managing IP](#) site.
