
Law Week Colorado Interviews Andy Spielman on Energy and Natural Resource Law

AUGUST 31, 2017

Law Week Colorado Reporter Julia Cardi recently speaks with WilmerHale Partner [Andy Spielman](#) about the state and lucrative nature of energy and natural resource law practices and practitioners in Colorado. "I'll go to my grave thinking Denver is the hub of exceptional energy and natural resources practices and practitioners," Spielman said. "We're not only involved in some of the most exciting and high-quality legal issues in the energy space in Colorado, but we're getting asked to counsel and play that role coast-to-coast."
