## *The National Law Journal* Recognizes Benjamin Powell as a Cybersecurity & Data Privacy Trailblazer

DECEMBER 1, 2017

*The National Law Journal* has named [Benjamin Powell](#) to its list of 2017 Cybersecurity & Data Privacy Trailblazers. Those recognized have helped make a difference in the fight against criminal cyber activity and towards adding much needed layers of data security in an increasingly digital world of commerce.

As stated by *The National Law Journal*, "winners have shown a deep passion and perseverance in pursuit of their mission, having achieved remarkable successes along the way."

Powell is widely recognized as one of the country's top authorities on handling cybersecurity, data breach and related investigation matters. He has advised companies on major cybersecurity incidents and incident preparedness across virtually every sector of the economy, including the banking, investment management, software, retail, energy, defense and intelligence, media and entertainment, pharmaceutical, cloud services, government contracting, aerospace, information technology, manufacturing, and travel sectors.
