LMG Life Sciences, a legal directory guide focusing on US law firms and attorneys who work with life sciences companies, is produced by the Legal Media Group, and its editorial structure is divided into categories that cover traditional practice areas that relate to life sciences. Research for the publication was based on interviews and surveys completed by leading lawyers and clients who are active in the market.

The complete list of 2018 US law firm and lawyer rankings is available at www.lmglifesciences.com.
