
Electronic Commerce & Law Report: Contours of CDA Section 230 Immunity After Craigslist and Roommates.com

2008-05-02

Partners [Patrick Carome](#) and Samir Jain have co-authored an article for BNA's *Electronic Commerce & Law Report*. The article, "Contours of CDA Section 230 Immunity After Craigslist and Roommates.com," was published on April 18, 2008, and offers an analysis and perspective on the recent decisions in these two cases.

Electronic Commerce & Law Report provides readers with national and global perspectives on the digital economy with objective, vital news of trends and developments, insights and legal expertise. It is published by BNA, a publisher of print and electronic news, analysis, and reference products, providing intensive coverage of legal and regulatory developments for decision makers in business and government.
