## Firm Ranked Among the Top in *National Law Journal* Survey

2001-01-22

In a *National Law Journal* survey ("When Banks Go to Court, These Firms Hold The Bag," May 28-June 4, 2001, p. C2), the firm was tied for second in a survey of the fifty largest diversified financial companies when asked to name their litigation shop of choice. The firm was tied for third overall when the respondents also included the hundred largest commercial banks and the fifty largest savings institutions.
