
Hale and Dorr Corporate Department Recognized as Top Advisor to Venture-Backed Companies

2003-02-04

Based on statistics from VentureOne, the independent provider of venture capital transaction data, in 2002 our Corporate Department served as company counsel in more venture capital financings for companies based in the eastern half of the U.S. than any other law firm in the country.

According to VentureOne, at the end of 2002 Hale and Dorr was also general counsel to more private VC-backed companies based in the eastern half of the U.S. than any other law firm in the country.

The complete rankings are printed in the inaugural edition of our 2002 Venture Capital Report.
