
Hi-Tech Pioneers: Presenting the Region's Top Emerging Companies in Life Science and Technology

2003-02-25

Hale and Dorr, KPMG and T. Williams Consulting, Inc. are excited to partner in a new program presenting the tri-state region's top emerging life science and technology companies. Emerging companies that demonstrate uniqueness, market desirability, quality management team, funding and technological or market success are encouraged to apply. A panel of industry experts will review all applications and identify companies as the premiere Hi-Tech Pioneers. Selected Pioneers will present to a group of leading venture capitalists at a private reception. For immediate consideration as a Hi-Tech Pioneer, please complete the [application](#). Deadline for application submittal is March 31, 2003. Questions regarding the application may be directed to Princeton Events at 609-750-7660 or princetonevents@haledorr.com.
