## Invitation to Participate: 2017 CompStudy Survey for Venture-Backed Life Sciences and Technology Companies

DECEMBER 12, 2017

WilmerHale invites you to participate in the 2017 CompStudy survey on equity and salary compensation for executives at venture-backed life sciences and technology companies. The CompStudy is produced by Park Square Executive Search in collaboration with WilmerHale and academics at the University of Southern California.

Complete the web-based questionnaire to receive a full year of complimentary online access to the published results, including valuable historical compensation data and analysis, when they become available. The study, now in its 18th year, has yielded essential information to keep venture-backed companies and investors informed of current trends in senior executive compensation and organizational structures.

The CompStudy survey takes approximately 60 minutes to complete, and should be filled out by your company's CEO, CFO or head of HR. All submitted information is kept confidential, and names of participating companies are never shared.

To take the survey, please visit [www.compstudy.com](http://www.compstudy.com).
