## *Law360* Names Lauren Fletcher as a Rising Star in Intellectual Property

2012-03-19

Partner [Lauren Fletcher](#) is one of only five individuals to be named as a 2012 *Law360* Rising Star in the practice of intellectual property. After receiving more than 1,000 nominations, *Law360* selected five individuals per practice for this recognition based on the strength of their accomplishments in their respective practice groups thus far in their careers.

Since joining the firm in 2004, Fletcher has proven herself a dedicated and talented counselor at WilmerHale. Her practice focuses on [intellectual property litigation](#), and with a background in electrical engineering, much of her work involves technologies in the semiconductor, wireless, and Internet industries. Fletcher has been a part of some of the firm's most noteworthy work, including the [representation of Broadcom](#) in its well-known patent litigations with Qualcomm, along with work for WilmerHale clients such as Akamai Technologies, Apple, Cisco Systems, Intel and many more.
