
LMG Life Sciences Ranks WilmerHale and Attorneys Among the Best

NOVEMBER 9, 2016

In its latest edition, *LMG Life Sciences* recognizes WilmerHale among the nation's leading life sciences law firms. The 2016 guide highlights nine firm practices and 18 attorneys, recognizing work under three categories—Intellectual Property, Finance and Transactional, and Non-IP Litigation and Enforcement.

Praised by one client for its “impressive experience in the life sciences field, with a great understanding of the industry and first rate legal skills,” the firm continues to build on its reputation as a leading force in counseling life sciences companies.

LMG Life Sciences, a legal directory guide focusing on US law firms and attorneys who work with life sciences companies, is produced by the Legal Media Group and its editorial structure is divided into categories that cover traditional practice areas that relate to life sciences. Research for the publication was based on interviews and surveys completed by leading lawyers and clients who are active in the market.

WilmerHale is recognized in the following areas (separated by category):
