

LMG Life Sciences Release 2015 Rankings, Again Names WilmerHale a "Life Cycle Firm"

SEPTEMBER 14, 2015

In its latest edition, *LMG Life Sciences* recognizes eight WilmerHale practice areas and 16 attorneys, and for the fourth consecutive year names WilmerHale a "Life Cycle Firm"—an award based on a firm's capabilities in handling pertinent legal issues facing a product throughout its life cycle.

LMG Life Sciences is a legal directory guide focusing on US law firms and attorneys who work with life sciences companies. The guide is produced by the Legal Media Group and its editorial structure is divided into categories that cover traditional practice areas that relate to life sciences. Research for the publication was based on interviews and surveys completed by leading lawyers who are active in the market. *LMG* also spoke with clients during the research process, in addition to reviewing public information.

WilmerHale is recognized in the following areas (separated by category):

Intellectual Property

General Patent Litigation - Highly Recommended
 Patent Prosecution - Recommended
 Patent Strategy & Management - Recommended
 Hatch-Waxman Patent Litigation - Recommended

Finance & Transactional

Licensing & Collaboration (Non-University) - Highly Recommended
