## Mark Borden Named to Client Service All-Star Team for Third Consecutive Year

2004-04-08

For the third consecutive year, Hale and Dorr Partner Mark G. Borden was named by his clients a member of the *BTI Client Service All-Star Team*. Only six attorneys nationwide have been honored with this achievement three years in a row.

BTI Consulting Group (BTI), a market research and management consulting firm, annually polls corporate law departments for their views on outside legal service performance. BTI interviewed more than 250 general counsel at Fortune 1000 companies and the world's largest financial services firms. Clients singled out Mark Borden, by name, in an unprompted matter.

"Mark Borden delivered an extraordinary client service performance," said Michael B. Rynowecer, BTI President. "Clients told us that he delivered deeper insights in the face of increasing demands. In short, Mr. Borden has proven he leads the pack by anticipating client needs and providing sharp business advice."
