Senate Banking Chairman Christopher Dodd (D-Conn.) has recently released a revised draft of an Economic Recovery and Corporate Accountability Act. Click [here](#) for a copy.

WilmerHale to Conduct Webinar on Market Crisis Issues Affecting Financial Institutions and Market Participants (following passage of pending legislation)

Following passage of a final bill, WilmerHale will host a webinar to discuss the legislation, its implementation and other related issues. WilmerHale's recognized experts in governmental affairs, banking law, corporate governance, securities regulation, investment management and securities litigation will present their views on the legislation and related issues, and will be available for questions from participants. The date and time will be announced promptly following passage of the legislation. To register in advance for the webinar, or to ensure you are notified of its date and time, please contact dustin.vick@wilmerhale.com.
