

## New England Technology Fast 50

OCTOBER 24, 2001

The 50 fastest growing technology companies in New England were announced on October 15 at an awards ceremony held at Hale and Dorr's Waltham office. Burlington, MA based Z Corporation topped the list as the fastest growing tech company in the region.

The New England Technology Fast 50 is an annual awards program ranking New England's 50 fastest growing technology companies based on five year revenue growth. The rising star category honors area technology companies that have posted significant revenue gains and have been in business for a minimum of three years.

Hale and Dorr and Deloitte & Touche have co-sponsored the event for the last 4 years.
