
Palo Alto Attorneys Featured in 2013 *Northern California Super Lawyers*

2013-07-16

Twenty-two WilmerHale attorneys ranked in the tenth annual *Northern California Super Lawyers* listing for 2013. This *Super Lawyers* listing will appear in publications including the *Northern California Super Lawyers* magazine, the *Sacramento* magazine and the *San Francisco* magazine.

WilmerHale's [Intellectual Property Litigation Practice](#) had a significant showing with seven of its group members included in this year's rankings. Also listed in the 2013 *Super Lawyers* ranking for Northern California are 12 Palo Alto attorneys selected as "Rising Stars."

The objective of *Super Lawyers* is to "provide a credible, comprehensive and diverse" resource and method for attorneys and consumers to use when researching legal representation. The attorneys selected are first nominated, then surveyed by peers, and finally, evaluated by professional accomplishments. *Super Lawyers* lists attorneys by practice areas and region.

The WilmerHale Palo Alto office was opened in 2005, and in that short time has established a recognizable place in Northern California's legal landscape. The focus of the work in the Palo Alto office is concentrated around [Intellectual Property](#), [Securities](#) and [Transactional](#) issues. Recently, the *Silicon Valley Business Journal* ranked the Palo Alto office eighth out of 49 law firms in Silicon Valley based on the number of attorneys working out of the office. In addition, WilmerHale ranked as one of the "Top 10 Largest Silicon Valley Law Firms" in 2013 for the second year in a row.
