
The Hedge Fund Law Report Covers WilmerHale, Deloitte Webinar “Valuation Issues, SEC Examinations & Enforcement Actions”

2013-08-06

On June 19, 2013, WilmerHale and Deloitte hosted a webinar titled “Valuation Issues, SEC Examinations & Enforcement Actions.” *The Hedge Fund Law Report*, a source on hedge fund law and regulation, included materials and details of the webinar in a recently published article following the event.

WilmerHale Partners [James E. Anderson](#), [Drew G.L. Chapman](#), and [Lori A. Martin](#); and Frank Fumai and John Marshall of Deloitte discussed the focus on valuation issues and other trends from the Securities and Exchange Commission (SEC) staff's most recent cycle of examinations and enforcement matters during the webinar. They covered topics including SEC scrutiny of private fund distribution practices and compensation of marketing persons.
