1999-09-21

The Times of London ("Despair or Delight for 500," September 14, 1999, p. LAW17) reported that the firm was able to "bask in the glow of a good report" at the launch of the Legal 500, an annual quality credit rating published by *Legalease*. The launch, sponsored by Baker Tilley and held at Gibson Hall in Bishopsgate, provides a public forum "for senior partners to be held to account for their firms' performance over the year."
