## To Our Clients and Friends

2001-09-12

The tragic events that occurred on September 11, 2001 in New York, Washington and Pennsylvania have touched each and every one of us in ways we could never have imagined. Fortunately, none of our employees were injured, but many of our colleagues have family members, friends and clients who were killed, injured or are missing. To those who have suffered personal loss, we want to express our deep sorrow and offers of support in this very difficult time.
