## WilmerHale Advises Immuta in \$8M Series A Funding

FEBRUARY 21, 2017

Immuta, the unified data platform for the world's most secure organizations, announced an \$8 million Series A round bringing the company's total funding to \$9.5 million to date. The Immuta platform frees data science teams to work with highly regulated data without being constrained by complex security regulations or information governance policies. In addition, the platform gives information governance teams the confidence they need to expose sensitive data without breaching policies, providing data scientists the access they need to accelerate time-to-breakthrough.

The WilmerHale deal team representing Immuta was led by [Gary Schall](#) and included [Bill Caporizzo](#) and [Tim Hultzman](#).
