

## WilmerHale Again Earns Its Place in PLC's "Global 50"

2007-03-12

*PLC Which Lawyer? Yearbook 2007* ranked WilmerHale, for the second time, among the top 50 law firms in the world, with over 40 WilmerHale lawyers ranked as leaders in their respective practice areas. The firm was also recommended in 15 key practice areas in Europe and the US.

According to the *Yearbook*, "WilmerHale is an international powerhouse that has a firm place among the top 50 global firms." The firm is also noted for its, "pre-eminent expertise in life sciences and dispute resolution," and the firm's ability "to capitalize on this combination of practices to offer true full-service advice and representation and accordingly counts some of the most important IP/life sciences, technology and telecommunications companies amongst its clients."

The *PLC Which Lawyer? Yearbook*, previously known as *PLC Global Counsel 3000*, identifies the leading lawyers and law firms in the major international corporate and commercial practice areas in over 90 jurisdictions across the globe. These recommendations are based on research surveys, and interviews with private practitioners.
