
WilmerHale Community Service Volunteers Recognized

2007-04-26

WilmerHale was very pleased to honor four employees with our annual Boston Volunteer Appreciation Awards, which recognize attorneys and staff who, in the past year, have displayed exemplary commitment to and involvement with the firm's Youth and Education Initiative.

Recipients this year included Loraine Dunn, [Dave Giordano](#), Alicia Kappers and Pratik Shah, all of whom have consistently participated in firm-sponsored volunteer programs such as the Legal Apprenticeship Program, Summer Leadership Institute, College Application Workshops and Academic Enrichment Program. The firm commends Loraine, Dave, Alicia and Pratik for their hard work on behalf of Boston's at-risk youth.
