2005-09-09

In a survey of the nation's 200 highest-grossing firms, ranked by their pro bono score on the most recent "Am Law 200" survey, WilmerHale placed 6th with 116 average pro bono hours per lawyer and 58.2 percent of lawyers with more than 20 hours of pro bono work.

The variety of pro bono matters in which lawyers from the firm have been involved has enhanced the quality of life for many in our local neighborhoods and around the globe. For decades, WilmerHale has been known for a record of pro bono representation and community service—a record based on the belief that there is more to our professional mandate than advocacy for the most powerful and successful members of society.
