## WilmerHale Named Among Greater Boston's "Best Place to Work"

2009-05-01

The *Boston Business Journal* has selected WilmerHale as one of the area's "Best Places to Work" in its 6th annual contest. The firm, one of only two law firms to make the list, is listed among a total of 20 in the large businesses category, which includes companies with more than 500 full-time employees.

The 2009 "Best Places to Work" winners were evaluated on the results of employee-satisfaction surveys. These questionnaires addressed such factors as job satisfaction, company encouragement, support and recognition of achievement and relationships with other employees.

The *Boston Business Journal's* awards event will be held on Thursday, June 11, and featured in the publication's June 12 supplement.
