
WilmerHale Secures Antitrust Clearance for Powerwave Acquisition of Remec Wireless Systems

2005-07-18

The firm secured antitrust clearance from the U.S. Federal Trade Commission, the German Bundeskartellamt, and in working with local counsel, the Finnish Competition Authority for Powerwave Technologies, Inc.'s acquisition of the Wireless Systems business unit of its competitor REMEC, Inc. Both companies manufacture and sell mobile telephone network components on a worldwide basis.

The transatlantic WilmerHale team was lead by [James W. Lowe](#) in the U.S. and [Ulrich Quack](#) in Europe. Lawyers on the team included Janet Ridge, James Frost and [Hartmut Schneider](#).
